2026-2027/5787 SCHOOL YEAR

Wardrobe Policy

Proper dress is an important part of promoting a Torah atmosphere at RPRY and reflects our core values of **R**espect and B'**Y**achad. Our students' dress and appearance should uphold Torah standards of tznius while fostering a positive, respectful learning environment.

All short-sleeve uniform shirts for boys and girls must be purchased through the RPRY Lands' End Shop and feature the RPRY logo. Long- and three-quarter-sleeve polo shirts may be purchased from any retailer and do not require the RPRY logo, provided they are one of the approved wardrobe colors (see page 4). Girls are expected to wear skirts that fall below the knee, regardless of where they are purchased, and boys are required to wear a kippah and tzitzis each day. Students must wear closed-toe shoes with socks at all times, and sneakers are required for PE. Designated non-uniform days for special programs and events will be announced in advance; on those occasions, students should continue to dress in the spirit of tznius and according to the provided guidelines. Every student should also have a white uniform shirt available for special school programs.

Our goal is to partner with families in a positive and caring way to help every student meet our wardrobe expectations, and we ask parents to support this shared commitment by modeling and respecting the spirit of the RPRY Wardrobe whenever entering our school building. Together, by embracing these shared expectations, we help create a school environment where our students can learn, grow, and proudly reflect the values of Torah, derech eretz, and RPRY.
